Frederick J. Pettle, Attorney at Law
1700 I Street, Suite 120
Sacramento, CA 95811

Dear Mr. Pettle:

From the day I spoke to you and Nicholas Day I was relieved of stress from my case and assured that I would finally get positive results. My former lawyer, the insurance companies and their associates left me doubting that my case would be settled fairly before the two year deadline.

When you told me that you could get me a better settlement than that offered by the insurance company I was so thankful. I am amazed at how quickly you got justice for me. You, Nicholas and Christine are excellent, efficient professionals. I will recommend you highly to anyone who needs a great personal injury attorney.

Mr. Pettle you and your staff are a force to be reckoned with. I thank God for you. He answered my prayers for a fair and empathetic legal professional. I'm so grateful for your help. God bless you.

Sincerely,
Barbara Byrd Case #[redacted]
